Make an Impact!

Our Vision

Our Vision is to provide every student with an opportunity to meet Jesus Christ and assist in essential developmental growth.

We accomplish our mission by...

- Praying for students
- Coordinating with Christ-centered organizations and churches for outreaches and support.
- Sharing our lives and the Gospel of Jesus Christ with students
- Inviting them to personally respond to this Gospel.
- Loving others regardless of their response.
- Assist students in developing the skills, assets and attitudes to reach their full God-given potential.

Our Events

Christian Students Unite

Our capstone event, Christian Students Unite, draws students from California State University, Long Beach (CSULB) & Long Beach City College (LBCC) for an opportunity to come together for an evening of praise, prayer, fellowship, and time in God's Word. We have partnered with Campus Crusade for Christ, The Navigators, Asian American Christian Fellowship, Korean Campus Crusade for Christ, Victory Campus Ministries, and Beach Student Ministries to form an impactful fellowship ministries in Long Beach.

'hungry?'

Who doesn't like free stuff...especially food? Students from CSULB partner together and offer time and funds to feed fellow students & share the Gospel of Jesus Christ. With the help of musicians and a bunch of hard workers, students who may have never heard the Message will receive an opportunity to know Our Loving Father.

With a student population of over 34,000 students, these amazing students are committed to bring the Gospel to each student and provide discipleship for those who believe.

Our Values

True Unity in Christ is based upon a living relationship with God. He lives within every genuine believer.

We uphold our values by...

- Living according to and communicating the whole Gospel of Jesus Christ.
- Carrying out our mission under the authority of Scripture and relying on the Holy Spirit to empower our ministry.
- Encouraging the welfare and spiritual health of those who do this ministry, so that they may minister out of a consistent and growing relationship with Christ.
- Researching and developing innovative approaches to reaching uncommitted, disinterested students on our campus.
- Working along side with followers of Christ from a variety of traditions and local churches around the Long Beach area.
